#### - Refuelling Zone

The “competition fuel” RZ will be located before the TFZ.

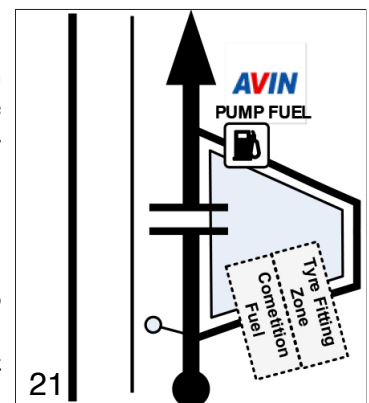

Competitors that will refuel their cars from pumps will drive through the “competition fuel” zone, will change their tyres, have their tyres checked at the exit of the TFZ and drive directly to the AVIN pumps for refuelling, which are located 200 m further on. Please replace box 21 of page 41, of the road book with the attached new box 21.

#### - Tyre fitting/marking zone (TFZ)

Competitors may drive from TC 0 (Loutraki) to the Ceremonial Start and to the TFZ, in AVIN petrol station, with non-registered pattern gravel tyres. It is on their discretion to choose the tyres to fit on their car for this road section.

(A TFZ plate will be distributed to each competitor). The crew alone will change the tyres using only tools and equipment carried on board the competing car. The team

member may only assist in the tyre marking procedure. The used tyres will be left on the road to be collected by the team's vehicle.
